

PRIVATE PRACTICE TRAINING

WHO IS THE COURSE FOR?

Any counsellors considering setting up their own Private Practice.

AT THE END OF THE COURSE

On completion of the day you will be able to:

- Know what needs to be considered to get covered before setting up in private practice (I will provide a check list).
- Know what marketing options are available for you to promote your practice
- Understand what safeguarding considerations you will need have implemented
- What room considerations you will need to address
- Understand what paperwork will be required
- Understand how to risk assess
- Understand the importance of your own self care
- Be familiar with insurance and memberships requirements

TRAINER

Kate Blakemore BA (hons) Bus. Man. Diploma in Counselling.

Award in Teaching. Diploma in fertility counselling.

Kate has accreditation in supporting mums who have suffered miscarriages, still births and neo-natal deaths. Kate is a person centred-counsellor and has her own private practice Cherry Tree Counselling. Kate is also the founder on Motherwell Cheshire a charity set up to support the mental health and wellbeing of mums.

Kate has worked therapeutically with mums involved with Social Care and also mums who have had the children removed for many years and is passionate about supporting them to move with their lives.
